Sage Partner

paya a nuvei company

Sage 100 with
Paya Integrated Payments

Sage 100's <u>Only</u> Certified Integration

Activating the payment features built into Sage 100, along with connected payment solutions, provides real-time cash flow visibility, speeds remit times, and eliminates manual entry.

Paya was the first — and remains the best — Sage 100 direct integration, with easy onboarding and a powerful, user-friendly interface.
